

Bringing HOPE & HEALTH to Communities

MEDICAL

Providing free preventative and primary care services with extensive case management and specialty services.

DENTAL

Offering full service dental services, including oral surgery, in a new, state-of-the-art facility at a reduced sliding scale fee.

MENTAL HEALTH

Offering free long term therapy with Professional/Licensed counselors using a "private practice" model.

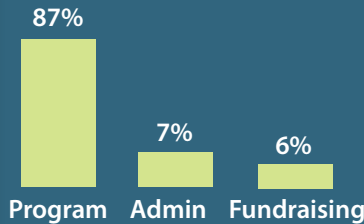

VOLUNTEERS

More than **200** volunteers generously serve our clinics by providing over **\$450,000** in donated care.

EVERY DOLLAR SPENT

PARTNERSHIPS

Over **3000** individuals and organizations have worked with us to **refer** patients, **recruit** volunteers, and **respond** through giving.

THANK YOU FOR SUPPORTING YOUR COMMUNITY
